The Unent Cranberries.

Jellied Cranberries - Cook one quart of too blue, add more water. The fabrics taxe plut of sugar and cook until the juice thick-

Baked Cranberries+In an earthern dish put four cups of cranberries and cover them with water. Cover the dish and put it in the or the clothes will be spotted; these spots will oven make until the terries are soft, then stir in very carefully two cupfuls of sugar and bake fifteen minutes longer. Cranberry Fudding-One pint of flour, two

painted silk, to which is added a crossband in sait mixed thoroughly together. Add sweet of coarsely chopped cranberries. Steam on and one-half or two hours. Serve with a Cranberry Pie-One pint of chopped cranberries, one and one-hait cups of sugar, one-

half cup of molasses, one-half cup of water, one tablespoontul of flour. This is sufficient for two ples. Bake with two crusts. Prize Cranberry Ple-One one-half cups of ranberries and one-half cup of raising chopped (chop both the cranberries and ratsins), one cup of sugar. Sprinkle a little flour on the berries before putting on the top crust. This pie will need to bake one-half nour, certainly. I always test my ples with knitting needle before taking them from

M. Renan's Stater. Mile. Repan, the cherished sister of the author of "The Life of Jesus," was a woman of high character and much force. She was welve years older than Ernest. Upon her father's death the family was left not only without means of support, but embarrassed with debt. Mile, Renan went to teach. ing, therefore, and contributed to the family purse besides supporting herself, and for twenty-five years kept sending money also to

be applied on her lather's debts.

An Excellent Fushion. The fashion which permits a bodice quite istinct in color and material from the skir with which it is worn, is not only an excellen ashion in which to make use of "short ength" patterns, and therefore economical but also very often quite picturesque and artistic. A black lace skirt worn at a small dinner this week, was ever so much more dressy and becoming because its full hadice and bishop siceves were not of the dull race. but made of rose-colored allk with a full, soft

crush telt of the same. Canada's Only " Julieress." The positions which Canadian ladies are inanable of filling remain to be discovered. In sweets, handkerchie', comb and brush, and tinction of being the only "jaileress" in Onfilled by Miss Roether. The lady has the disthe finishing touch to the toffer when visiting has given a very favorable report of the Bruce tario, and the Inspector of Jalls and Prisons
